

Transfer Solutions **Recaro Specialist Seat**

The **Recaro Specialist Seat** combines ergonomic excellence and advanced design to deliver unparalleled comfort and support for vehicle passengers. Perfectly suited for integration with Turny and Turnout swivel seat systems, this seat is available in multiple configurations (S, M, L) to cater to diverse physical needs.

It features a Pirelli mat suspension system, adjustable backrests, and headrests for customized posture support, while low-profile side bolsters ensure effortless transfers. Optional air lumbar support, armrests, and heating/ventilation systems further enhance comfort, making it the ideal choice for individuals requiring a reliable and adaptable seating solution.
